

The BFMU is offering the course "Aviation Spares Training"

This class addresses three primary areas about Aviation Spares:

1. How do I get my spares requirements?
2. How do I budget for spares?
3. How do I execute spares funding?

This class will be helpful to those who identify spares requirements, budget for spares, and execute and manage spares for the program.

Class Duration: 1/2 day (3.5 hrs)

Dates: This course is offered on the following dates:

16 April 0800-1130

16 April 1300-1530

17 April 0800-1130

17 April 1300-1530

Instructor: Eric Wilson, an expert in Naval Aviation Spares

Location: Frank Knox Bldg, Rm 152

Cost: No cost
